

P.O. Box 1003 • Haskell, TX 79521 • 940-864-2333

November 23, 2021

Dear Haskell Resident:

The City of Haskell has selected Abilene Environmental Landfill (AEL) as your solid waste provider for garbage collection services, beginning December 1<sup>st</sup>. This service has been provided to you by the City in the past but will now be provided by an independent contractor. As a residential customer, the City does not expect for you to see any changes to your current garbage collection services. Please review the information below about your service, and additional services.

### **COST**

The cost for residential garbage service to the City's residential customers will not change. Your bill will remain the same throughout the first full year.

### **BULKY PICKUP**

Residents will now be provided curbside pickup of your bulky items once per quarter. Bulky items include things such as household appliances, bicycles, household furniture, rugs, mattresses, televisions, fence materials, auto parts, and other similar oversized items which are customary to ordinary housekeeping operations of a residential customer. Residents will be provided a schedule of the dates when the bulky pick-up will be provided.

### **UNACCEPTED WASTE**

Items considered unaccepted waste for bulky pickup and that should not be disposed of in your garbage containers include, but are not limited to, lead acid batteries, tires, concrete, bulk petroleum or chemical products or by-products, septic tank pumping and grease trap waste, sludge, hazardous waste, or special waste as defined by the laws of the United States or State of Texas.

### **GREEN WASTE SERVICE**

The City will maintain one or more roll-off containers for the collection of resident's green waste.

**TIRE DISPOSAL**

The City will provide tire trailers twice a year for the disposal of tires that residents wish to dispose. The City will inform citizens when the tire trailers are available for tire disposal.

**ANNUAL CITY CLEAN-UP EVENTS**

The City will provide large roll-off containers for a citywide clean-up event two times a year. This will allow citizens the ability to dispose of garbage and other acceptable items during these events.

**MISSED COLLECTION**

Despite the best efforts to pick up your garbage, there may be occasions where your scheduled collection is missed. If there is a missed collection, please contact the City at 940-864-2333 Option 2 and we will have the contractor reschedule your pick-up as soon as possible.

**OBSERVED HOLIDAYS**

AEL observes the following holidays and garbage collection on these days will not occur. Should your garbage collection day fall on one of these holidays, AEL will schedule a make-up day to provide your weekly garbage collection service.

Holidays: New Year's Day; Memorial Day; Independence Day; Labor Day; Thanksgiving Day; and Christmas Day

If you have any questions about your service contact the City at 940-864-2333 Option 2.
