

CITY OF HASKELL BOIL WATER NOTICE

The City of Haskell is currently under a boil water notice as of Thursday, July 21, 2022. This is due to a water main break which caused a reduction of pressure in the distribution system in certain parts of town. This boil water notice covers all parts of town.

Water for drinking or other human consumption should be boiled and cooled prior to use.

This boil water notice is in place until further notice.
