

TEXAS MUNICIPAL CLERKS CERTIFICATION PROGRAM

Election Calendar
For a City's General Election on May 3, 2025

(last updated December 3, 2024; subject to 89th Legislative Session)

Abbreviations in the calendar are the same as those in the *Texas Municipal Election Law Manual* (6th edition) [M]. This most recent edition has a green cover. Check that you have any updated pages that address legislative changes since the edition was originally printed.

This calendar does not apply to all elections. For example, to prepare a calendar for a special election to fill a vacancy in office (even one on a uniform election date), see M §12.03; for a special election on a measure, see M §12.12. This calendar omits actions that vary from one city to another (for example, preparation of voting equipment). Each city secretary should use the chart at M §1.62 to create a personal election calendar. Always verify the latest version of this calendar on the TMCA's website. The calendar is subject to correction and legislative change.

Dates in column 1 are 2025 unless noted otherwise. Actions in column 2 relate to general elections (those in *italics pertain to early voting*). Actions are typically taken by the city secretary, but deviations appear in column 3. Column 4 is a cross reference to the Elections Manual. If this cross reference includes a year, then refer to the updated page, not the originally printed one.

"ED Interval" in column 5 indicates the time between the date of the action and election day. For example, the notation "50th" in the entry for March 14 means mandatory office hours begin the 50th day before election day; the notation "+10" in the entry for May 13 means that the LAST DAY for the presiding judge of the early voting ballot board to mail voters notices of rejected mail ballots is the 10th day after election day. An asterisk (*) in this column indicates the time stated is not required by statute.

When a statutory provision prescribes the LAST DAY for the performance of an act, the number in column 5 reflects that day. If the statutory date is moved because of a Saturday, Sunday, or state or national holiday [M §1.52(b); endnote 6], the resulting date is designated in column 1, and column 5 indicates, in parentheses and italics, the actual number of days measured from election day. Not all due dates revolve around election day and are so noted.

The last column has been reserved to show completion of the event in column 2. A dashed line in the table between entries indicates separate events that fall on the same day.

When reading the Election Code, read the chapter and subchapter titles to determine if the section applies to cities. Not all sections apply. Note that counties cannot order elections of their own in May of even-numbered years and may decline to contract with cities at that time.

1. Any city imposing an ad valorem property tax must have a website. 2. The city’s governing body may choose to conduct a mock student election under EC §276.007. The major steps taken for a general election should be taken for a student election. 3. Follow home-rule city’s charter provision, if any. However, a home-rule city cannot alter the candidate filing deadline. [EC 143.005(a)].

If that extended filing deadline for filing falls on a weekend or holiday, it moves to the next business day. Withdrawal deadlines after the extended filing deadlines will be impacted.
